G. Tarabochia & C. Srl - Privacy Policy

This Website collects some Personal Data from its Users.

Data Controller: Tarabochia.com - G. Tarabochia & C. Srl - Trieste (Italy)

Email address of the Data Controller: management@tarabochia.com

Types of Data collected

Among the Personal Data collected by this Website, independently or through third parties, there are: name, email, cookies and usage data.

Full details on each type of data collected are provided in the dedicated sections of this privacy policy or through specific information texts displayed before the data are collected.

Personal Data may be freely provided by the User or, in the case of Usage Data, automatically collected during the use of this Website.

Unless otherwise specified, all the Data requested by this Website are mandatory. If the User refuses to communicate them, it may be impossible for this Website to provide the Service. In cases where this Website indicates some Data as optional, Users are free to refrain from communicating such Data, without this having any consequence on the availability of the Service or on its operation.

Users who have doubts about which data are mandatory, are encouraged to contact the Data Controller.

Any use of Cookies - or other tracking tools - by this Website or by third party service providers used by this Website, unless otherwise specified, is intended to provide the Service requested by the User, in addition the additional purposes described in this document and in the Cookie Policy, if available.

The User assumes responsibility for the Personal Data of third parties obtained, published or shared through this Website and warrants that he has the right to communicate or disseminate them, freeing the Owner from any liability to third parties.

Method and place of processing of collected data

Method of processing

The Controller takes appropriate security measures to prevent unauthorized access, disclosure, modification or destruction of Personal Data.

Processing is carried out using IT and / or telematic tools, with organizational methods and with logic strictly related to the purposes indicated. In addition to the Data Controller, in some cases, other parties involved in the organization of this Website (administrative, commercial, marketing, legal, system administrators) or external subjects (as suppliers of third party technical services, postal carriers) may have access to the Data, hosting providers, IT companies, communication agencies) also appointed, if necessary, Data Processors by the Data Controller. The updated list of Managers can always be requested to the Data Controller.

Legal basis of the processing

The Controller treats Personal Data relating to the User on the basis of consent of the same in relation to the browsing activity on the site or otherwise to sending information via the "Contact" form. The Data Controller also reserves the right to keep the list of e-mails sent via this form due to its legitimate interest in forming a history of contacts received via the website.

Place

The Data are processed near the operational headquarters of the Data Controller, except for the use of tools provided by providers resident in the United States and in the presence of an adequacy decision of the Commission pursuant to art. 45 GDPR (such as the Privacy Shield).

Retention period

Data relating to site navigation are kept for the duration of the browsing session. The Data relating to the contact form are retained up to the exercise of the right of opposition by the interested party.

Purposes of the processing of collected data

The Data concerning the User is collected for the purpose of finding the User's requests and for analyzing the statistics of visits on his website.

Feedback of the User's requests

Contact form (This Website): the User, by filling in the contact form with his / her Data (Name and e-mail address), consents to their use to respond to the requests formulated within the form.

Statistics

The services contained in this section allow the Data Controller to monitor and analyze traffic data and are used to keep track of User behavior.

Statistics collected directly (This Website): the Website uses an internal statistics system collecting navigation data (cookies and usage data), which does not involve third parties.

User Rights

Users may exercise certain rights with reference to the Data processed by the Data Controller.

In particular, the User has the right to:

- Withdraw consent at any time. The User can withdraw consent to the processing of their Personal Data previously expressed.
- Oppose the processing of his own data. User may object to the processing of own data when it occurs on a legal basis other than consent. Further details on the right of opposition are indicated in the section below.
- Access his own data. The User has the right to obtain information on the Data processed by the Data Controller, on certain aspects of the processing and to receive a copy of the Data processed.
- Verify and request correction. The User can verify the correctness of his own Data and request its updating or correction.
- Obtain treatment limitation. When certain conditions are met, the User may request the limitation of the processing of his own Data. In this case, the Data Controller will not process the Data for any other purpose other than their conservation.
- Obtain the cancellation or removal of his own Personal Data. When certain conditions are met, the User can request the cancellation of his Data by the Data Controller.
- Receive his own data or have it transferred to another holder. User has the right to receive his own data in a structured format, commonly used and readable by automatic device and, where technically feasible, to obtain the transfer without hindrance to another holder. This provision is applicable when the Data are processed with automated tools and the processing is based on the User's consent, on a contract of which the User is a party or on contractual measures connected to it.
- Propose a complaint. The User can lodge a complaint with the competent personal data protection authority or act in court.

How to exercise the rights

To exercise the rights of the User, Users can direct a request to the contact details of the Data Controller indicated in this document. The requests are deposited free of charge and processed by the Data Controller as soon as possible, in any case within a month.

Cookie Policy

This Website uses cookies. To learn more and to read the detailed information, the User can consult the Cookie Policy.

Additional information on treatment

Defense in court

The User's Personal Data may be used by the Data Controller in court or in the preparatory stages of its possible establishment for the defense against abuse of the use of this Website or the related Services by the User.

The User declares to be aware that the Data Controller may be obliged to disclose the Data by order of the public authorities.

Specific information

At the request of the User, in addition to the information contained in this privacy policy, this Website may provide the User with additional and contextual information regarding specific Services, or the collection and processing of Personal Data.

System logs and maintenance

For needs related to operation and maintenance, this Website and any third party services used by it may collect System Logs, which are files that record the interactions and that may also contain Personal Data, such as the User IP address.

Information not contained in this policy

Further information in relation to the processing of Personal Data may be requested at any time to the Data Controller using the contact details.

Response to "Do Not Track" requests

This Website does not support "Do Not Track" requests.

To find out if any third-party services used support them, the User is invited to consult their respective privacy policies.

Changes to this privacy policy

The Data Controller reserves the right to make changes to this privacy policy at any time by informing Users on this page and, if possible, on this Website as well as, if technically and legally feasible, by sending a notification to Users through one of the contact details held by the Holder. Please therefore consult this page regularly, referring to the date of the last modification indicated at the bottom.

If the modifications concern treatments whose legal basis is consent, the Controller will collect the User's consent again, if necessary.

Definitions and legal references

Personal Data (or Data)

It constitutes personal data any information that, directly or indirectly, also in connection with any other information, including a personal identification number, makes a physical person identified or identifiable.

Usage Data

These are information collected automatically through this Website (also from third party applications integrated into this Website), including: IP addresses or domain names of the computers used by the User that connects to this Website, the addresses in URI (Uniform Resource Identifier) notation, the time of the request, the method used in forwarding the request to the server, the size of the file obtained in response, the numerical code indicating the status of the response from the server (good order, error, etc.) the country of origin, the

characteristics of the browser and the operating system used by the visitor, the various temporal connotations of the visit (for example the time spent on each page) and the details relating to the itinerary followed within the Application, with particular reference to the sequence of the pages consulted, to the parameters relating to the operating system and the IT environment of the User.

User

The individual who uses this Website that, unless otherwise specified, coincides with the interested party.

Party concerned

The natural person to whom the Personal Data refers.

Data Responsible (or Manager)

The natural person, legal person, public administration and any other entity that processes personal data on behalf of the Data Controller, as set out in this privacy policy.

Data Controller (or Holder)

The natural or legal person, public authority, service or other body which, individually or together with others, determines the purposes and means of the processing of personal data and the tools adopted, including the security measures related to the operation and use of this Website. The Data Controller, unless otherwise specified, is the owner of this Website.

This Website (or this Application)

The hardware or software tool through which the Personal Data of Users are collected and processed.

Service

The Service provided by this Website as defined in the relevant terms (if any) on this website / application.

European Union (or EU)

Unless otherwise specified, any reference to the European Union contained in this document shall be extended to all current member states of the European Union and the European Economic Area.

Cookie

Small portion of data stored in the User's device.

Legal references

This privacy statement is drawn up on the basis of multiple legislative systems, including articles 13 and 14 of Regulation (EU) 2016/679.

Unless otherwise specified, this privacy statement applies exclusively to this Website.
