

PORT CHEMIST

Letter of National Association of Port Chemists dated 27/12/2016

TANKERS

1) 1) Inspections to issue the certificate of GAS FREE for berthing in shipyards and/or entering in dry dock:

- for vessels upto 4.000 Grt	Euro	297,00
- for vessels from 4.001 to 12.000 Grt	Euro	356,00
- for vessels from 12.001 to 25.000 Grt	Euro	439,00
- for vessels over 25.000 Grt	Euro	594,00

2) Checks for the works in progress, every 48 hrs, for the issuance of the certificate attesting the permanent vessel's safety status:

- for all vessels independently by Grt	Euro	165,00
--	------	--------

INERTED TANKERS BERTHED IN SHIPYARDS

1) Inspections to issue the certificate for berthing in shipyards and/or entering in dry dock:

- for all vessels independently by Grt	Euro	626,00
--	------	--------

2) Inspections alongside and/or in drydock to issue the certificate of GAS FREE for jobs with or without hot works:

- for all vessels independently by Grt	Euro	349,00
--	------	--------

3) Daily checks to confirm the tanks "status of inerting".

- for all vessels independently by Grt	Euro	260,00
--	------	--------

LIGHTERING OPERATIONS

1) Inspections at Roads to issue the safety certificate

- for vessel where is requested the "status inerting"	Euro	750,00
- for vessel where is not requested the "status of inerting", up to 4.000 Grt	Euro	433,00
over 4.000 Grt	Euro	497,00

2) Inspections alongside to issue the safety certificate

- for vessel where is requested the "status inerting"		626,00
- for vessel where is not requested the "status of inerting", up to 4.000 Grt	Euro	311,00
over 4.000 Grt	Euro	376,00

CRUDE OIL WASHING OPERATIONS:

1) Inspections to issue the certificate to carry out COW operations and further checks:

- for vessels up to 40.000 Grt	Euro	861,00
- for vessels from 40.001 to 100.000 Grt	Euro	1.155,00
- for vessels over 100.000 Grt	Euro	1.333,00

ENVIROMENTAL HYGIENE INSPECTION

1) Enviromental hygiene inspections to issue the certificate for vessels carrying "acid crude oil"

- for all vessels independently by Grt	Euro	610,00
--	------	--------

STORAGE TANKERS – OFF-SHORE PLATFORMS

1) 1) Inspections on board storage tankers connected to offshore crude oil platforms in open sea to verify safety status of the vessel and of the areas under mantainance to issue the GAS FREE certificate, when platform is at a distance between 5 and 15 nm from shore and with favourable weather conditions

- for each survey	Euro	1.121,00
-------------------	------	----------

NAVI A CARICO SECCO

1) Accertamenti per il rilascio di certificato di non pericolosità per l'ingresso degli uomini, per lavori di degassificazione e pulizia, per lavori con o senza impiego di fonti termiche in LOCALI PERICOLOSI o comunque ritenuti tali:

- su navi da 101 a 500 Grt intern	Euro	165,00
- su navi oltre 500 Grt intern	Euro	273,00
- addizionale per ogni locale ispezionato	Euro	56,00

2) Accertamenti successivi con rilascio di certificato di NON PERICOLOSITÀ:

- su navi fino a 500 Grt intern	Euro	145,00
- su navi oltre 500 Grt intern	Euro	196,00
- addizionale per ogni locale interessato dai Lavori	Euro	43,00

3) Controlli dei lavori in corso, precedentemente autorizzati, con periodicità di 48 ore:

- per tutte le navi indipendentemente dalla Grt intern	Euro	150,00
--	------	--------

VESSELS CARRYING SOLID BULK CARGOES LISTED IN THE APPENDIX * OF D.M. 22.07.1991 * D.D.

1) Inspections related to the loading of solid bulk cargoes listed in group "A" attached to the D.M.

- sampling of goods to be loaded	Euro	250,00
- issuance of analysis certificate re. technical tests to issue the certificate with pertinent prescription	Euro	409,00
- issuance of pertinent certificate	Euro	309,00

2) Inspections related to the loading of solid bulk cargoes listed in group "B" attached to the D.M.

- sampling of goods to be loaded	Euro	373,00
- technical tests as per aforesaid D.M.	Euro	453,00

3) Inspections related to the discharge / transit of solid bulk cargoes listed in the appendix "B" attached to the D.M. 22.07.1991:

- issuance of certificate and pertinent prescriptions	Euro	453,00
---	------	--------

4) Inspections related to the loading / discharging of solid bulk cargoes listed in the appendix "C" attached to the D.M. 22.07.1991:

- issuance of certificate and pertinent prescriptions	Euro	273,00
---	------	--------

VESSELS WITH FUMIGATED CARGOES

1) Inspections alongside related to the discharging before commencement of discharging operations

- issuance of certificate and pertinent prescriptions	Euro	453,00
---	------	--------

2) Inspections at Roads related to the discharging before commencement of discharging operations:

- issuance of certificate and pertinent prescriptions	Euro	573,00
---	------	--------

3) Inspections for the access of personnel into cargo holds for completion of cargo operations

- issuance of certificate and pertinent prescriptions	Euro	343,00
---	------	--------

CHEMICAL TANKERS – ATTACHMENT II MARPOL 73/78

1) Inspections related to washing / prewashing of cargo tanks as per Rules 8(3) and 8(4) of Attachment (evaluation of stripping status, etc), and as per vessel's Manual of Procedures endorsed by ship's Classification society

- for each cargo transported Euro 630,00

2) Sampling and chEmical analysis of pre-washing waters:

- for each cargo tank prewashed Euro 467,00

3) Campionamento e analisi chimiche delle acque di prelavaggio:

- per cisterna sottoposta a prelavaggio Euro 166,00

4) Check of inerting status of cargo tanks which were loaded with chemical flammable cargoes before to perform the pre-washing/washing alongside

- regardless from number of cargo tanks and Grt. Euro 630,00

WASTE – D.L.gs. N. 182/03

1) Inspections on board to issue certificate and pertinent prescriptions

- for passenger vessels Euro 306,00
 - for all other vessels with Grt over 500 Euro 123,00

2) Check of documentation necessary to obtain the exemption as per Art. 7 Comma 2 del D.Lgs. n. 182/03,:

- for all vessels Euro 74,00

DANGEROUS GOODS IN PACKAGES

1) Issuance of certificate for dangerous goods in transit, to be embarked / disembarked, with risk assessment, evaluation of consequences and safety prescriptions

- regardless from number and quantity of goods Euro 166,00

2) Inspection on board or ashore on dangerous goods with issuance of certificate and pertinent safety prescriptions

- regardless from number and quantity of goods Euro 306,00

3) Check of documentation concerning dangerous goods to embark or in transit with calculation of risks evaluation of consequences, with or without safety prescriptions

- regardless from number and quantity of goods Euro 91,00

4) Safety checks of containers with dangerous goods carried out from outside without instruments

- for each container Euro 40,00

5) Safety checks of containers with dangerous goods carried out from outside with instruments

- for each container Euro 79,00

6) Inspection of containers with dangerous goods for customs clearance purposes:

- for each container Euro 183,00

7) Calculation of risks and evaluation of consequences for dangerous goods to be disembarked or in

- regardless from number and quantity of goods Euro 40,00

TERMS OF APPLICATION

Payment : 30 gg. From Date of invoice

All the items above are inclusive of surcharges required by law (Decree of 25.03.1986 OJ n. 172) for overtime and holidays.

It should be noted that are applied the Minimum Fees prepared by the National Association of Port Chemists in case of well-defined services provided such as the check prior to the activity COW and the discharge of dangerous goods included in IMSBC Code and how the verification of Gas Free for mooring.

For attendance, even complex, to verify Gas Free, use flame concerning different types of vessels in different areas and / or with further checks necessary could be applied tariffs on lumpsum basis.

For special or repeated attendance, or if are expected complex attendance, a dedicated lumpsum tariff could be applied.

If it will be necessary, in connection with needs and / or special conditions (attendance without notice with the character of "urgent business", etc..) the tariffs could be increased
